

Energy: The Energy Team continues to work on connecting with the Gaunces at Central Maine Motors. Along with the ECO Team, the Energy Team is editing/improving the Window Dresser's manual and Peter's Window Dresser's Powerpoint. At the February meeting, Vaughan Woodruff provided a summary of Solarize Mid Maine's accomplishments. He hopes to offer a Solarize tour in conjunction with the Transportation Team. (You will hear about both at the Board meeting on the 8 th .)

The next Energy Team meeting is Wednesday, March 22 at 9:00 in the Winslow Town Office.
