

Permaculture: About a dozen participated in acorn processing at the Huck Farm. There was lots of fun, food and discussion whilst smashing acorns and grinding them in preparation for washing to rid the acorn material of toxins before using it as flour.

At our March Meeting Colby students from COFGA attended and discussed a couple of projects for which we might collaborate.

Two people from the Bioregional Conservancy presented information on their educational programs. It was tentatively decided that we would host an activity with BRC for Maine Permaculture day in August.

Plans were made to rebuild the arbor at RR Sq. and plant some climbing plants. A spring cleanup crew will get going on this as soon as the snow is gone.

A residential site suggested by Grace V. is under consideration. A Client Questionnaire will be shared with the resident. Grace will report at our April Meeting.

The next meeting is April 16 at 39 Barnett St. The pot luck begins at 5:00 with a meeting to follow.
