

Rethink, Reduce, Reuse, Recycle: After a great deal of deliberation, we have decided to ask the City Council to put our plastic bag ban on the ballot for November; therefore, we are on the agenda for the April 17 City Council meeting. If you agree with our position, please attend this meeting whether you live in Waterville or not. We hope to pack the house. We will be continuing our educational campaign and doing a “Get Out to Vote” push.

We are holding a Community Clean-up on Earth Day, April 22. Join us at 1:00 in Castonguay Square. Bags and gloves will be provided.

The Taste of Waterville will be Wednesday, August 8 this year. The changed date means Linda is unable to attend. She is struggling to solve the “collection destination” problem. Until that has been resolved, plans are stalled.

Linda is working with students at the Messalonskee Middle School on organics collection.
