

**Transportation:** The Transportation Team met on March 15 with 8 people in attendance.

Vaughn Woodruff gave an update on Solarize Mid-Maine, and the team discussed a possible bus tour of existing solarized home tour to promote the benefits.

The group discussed expanded transit services in Jackman, China & Vassalboro.

We discussed possible coordination of volunteer networks in the region. Discussed the VW settlement and potential benefits for Maine.

Members agreed to contact legislators and encourage support of LD1248 that would provide additional funds for public transit, volunteer networks, and service for people with disabilities.

The next meeting will be May 24, 4:00 PM at KVCOG.
