

Rethink, Reduce, Reuse, Recycle: We decided to hold off on introducing our plastic bag initiative until things are calmer in Waterville. Current thought has us asking to be in the ballot for November. We will continue educating the public about the importance of this and will be tabling at *Albatross* at Railroad Square Cinema on June 10 and at the primaries on June 12. We are meeting via e-mail and “chat” often.

Linda has begun filling the composting slots for The Taste of Waterville on August 8. It is a lot of fun, and you are invited to participate.

A group many of this team’s members volunteer with is researching composting options for Waterville residents.

The next meeting will be Wednesday, June 13 at 8:30 AM in the Front Street Conference Room.
