

Education & Community Outreach: Thirteen people attended the screening of Before the Flood on October 10. We earned \$39.00 from the collection.

At the October meeting, the team spent time discussion what to focus on next. Many possibilities were discussed: resuming "Adapting to a Changing Planet," offering a book discussion group, trying again to host an adult ed course, a day-long workshop, promoting Steve Kahl's presentation at various venues, and more.

Tentative: The next meeting will be Thursday, November 15 at 7:00 PM at Thomas College.
