

Permaculture:

Bonnie met with Mike Owns and Ken Walsh (Alfond Youth Center) to talk about collaborating on garden projects. Mike will attend the next meeting to talk about the lot across from the AYC as a potential permaculture site. The remainder of the meeting will be devoted to taking stock of the groups'; current status, assessing accomplishments, looking at what's working and what isn't, revisiting our goal and mission.

Colby's COFGA group is also still hoping to work with us.

Last Month there was a mini- blitz at Sharon's during which work was completed on the terrace and hazelnut trees were planted.

Our Ault Ed course which we partnered with ECO to offer did not receive registrations. We will try again.

The meeting at Bioregional Conservancy has not been announced yet. Martina and Roger will let us know when they get it scheduled.

The Methodist Church project has been approved by the Board and now needs to go to the Council.

The next Permaculture Team is October 15 at 5:30 pot luck; 6:30 meeting at 39 Barnett St., Waterville
