

Public Policy Team:

At the September meeting, we discussed publicly owned electricity distribution for Maine and the proposed electric transmission line from Canada to Lewiston, Maine. Both discussions are ongoing with more to be discussed at the next meeting.

To support the RX4 Team's plastic bag initiative, Dick Thomas wrote about a letter to the editor that was approved by the Board. This will be submitted to The Sentinel.

The next meeting will be October 16 at the REM meeting room on Temple Street in Waterville at 6:00 p.m. Barnett St., Waterville
