

Rethink, Reduce, Reuse, Recycle:

Approximately 35 people participated in our September Community Clean-Up. Julie Letourneau (Waterville High School librarian) and 6 of her Green Team students were among the participants. Thanks to Bonnie for joining us.

We made WABI TV5. Doug Harlow wrote a piece that can be read here:

We are continuing our marketing campaign. Fliers are being distributed at various events in the City. We are showing Bag It at 6:00 on October 22 at the Beth Israel Synagogue and October 23 at the Muskie Center and at 10:00 on October 27 at Railroad Square Cinema. (Thanks, Tom, for coming to the October 2 showing.)

The Food Recovery Committee has met some organizational mishaps. Hopefully this has been resolved. Three people gleaned 29 pounds of blueberries and delivered them to the Homeless Shelter. The next meeting is October 15 at 11:00 in the Front Street Conference Room.
