

Transportation: The Transportation Team is working on these issues:

- The Kennebec Valley Organization Annual Meeting where transportation was identified as a high priority issues for the region.
- Possible legislation based on a bill that was issued last year and received strong committee support, but it was tabled when the legislature adjourned.
- Long range passenger rail support.
- Kennebec-Messalonskee Trails is updating their maps and talked about developments within the trail system.

The next meeting of the Transportation Team will be Thursday, January 24 at 4:00 at KVCog.
