

**Education & Community Outreach Team:** Bonnie reported that Scott Vlaun of Center for Ecology Based Economy will speak in Waterville on April 2. His topic will be permaculture and food insecurity.

We are working with the Permaculture Team on an adult ed course that will be offered at Waterville High School in April. See the e-blast for a link to register.

Plans are well underway for Drive Electric Earth Day 2019. So far we are the only Maine organization registered with “Plug-In America.” This will be Saturday, April 27 at Thomas College. Central Maine Motors will be providing 4 vehicles: Chevy Bolt (100 % electric), Chevy Volt, Chrysler Pacifica (hybrid van), Prius & Malibu (Both hybrids). The next meeting will be Tuesday, March 26 at 9:00 at Central Maine Motors.
