

Rethink, Reduce, Reuse, Recycle Team:

The Food Recovery Committee just learned that Maine General will be donating all of its leftover produce to us for distribution to local food pantries. Both Spectrum Generations and the Alford Youth Center are interested in obtaining gleaned food. Since this just happened on March 28, nothing is finalized yet. We have arranged for gleaning at the Waterville Farmers' Market May through October.

We are currently assembling a list of people interested in gleaning. An announcement will be sent to businesses and civic groups. If you would like to be included in this list, please contact Linda.

The next meeting is Tuesday, April 9 at 11:00 in the Front Street Conference Room.
